Introduction to Cascading Style Sheets
With Dreamweaver™

Participant Evaluation and Feedback

1: Give two examples of concepts you have learned during this session/sessions?

2: How will you apply your understanding to your next related project?

3: What was the most valuable or relevant thing you have learned during this course?

4: What did you feel was the least valuable aspects of the session/sessions?

5:Give an example of what you would add to the session to improve it's content, progress, timing or structure

6: What related professional development sessions do you believe this PD session should be paired with, or linked in some manner?

In your opinion, the course was:

Strongly Disagree	Disagree	Agree	Strongly Agree
Delivered at an appropriate pace			
Delivered with acceptable resources			
Delivered to the correct target audience			
Delivered by a relevant content specialist			
Targeted to my industry			
Presented in a manner that I could see a goal or objective			
Was within my capabilities			
Something that I enjoyed			
Something I intend to do more of in the future
