Bob Avakian (BA) says:

**"There is no future
worth living for the
masses of people
and ultimately for
humanity as a whole
under this system"**

Points of Attention for the Revolution

**The Revolution Club upholds,
lives by and fights for the following principles:**

- 1** We base ourselves around those to represent the highest ideals of humanity: revolution and communism. We do not believe using the revolution for personal gain.
- 2** We fight for a world where ALL the chains are broken. Women, men, and differently gendered people are equals and comrades. We do not tolerate physically or verbally abusing women or treating them as sexual objects, nor do we tolerate insults or "jokes" about people's gender or sexual orientation.
- 3** We fight for a world without borders, and for equality among different peoples, cultures and languages. We do not tolerate insults, "jokes" or derogatory names about a person's race, nationality, or language.
- 4** We stand with the most oppressed and now free right of their oppressors: humanity-not of our oppressors to lead them to do that. We work backwards to take part in the revolution, and do not tolerate revenge among the people.
- 5** We search for and fight for the truth, no matter how unpopular, even as we listen to and learn from the observations, insights and criticisms of others.
- 6** We are going for an actual overthrow of this system and a whole better way beyond the destructive, vicious conflicts of today between the people. Because we are serious, at this stage we do not utilize violence and we oppose all violence against the people and among the people.
